Regulations/ Liabilities This certificate is the property of DIN CERTCO and may be withdrawn if the conditions on which its issue was based are no longer met.

DIN CERTCO regularly carries out product testing, monitoring / visits of the manufacturing site and auditing of the plant's own internal production controls. The manufacturer is obliged to monitor and document quality and safety-related product characteristics using technical measurement procedures.

The information leaflet (instructions for use) for the specified eye protection product must be written in the official language of the country of destination. The following details should also be specified in the information leaflet, on the packaging or in the brochure:

DIN CERTCO Gesellschaft für
Konformitätsbewertung mbH

Alboinstr. 56
12103 BERLIN

GERMANY

DIN-Geprüft mark, including registration number

As far as possible, the product must be labelled with the name and contact address of the manufacturer or, if the manufacturer is not based in the European Economic Area, the name and contact address of a representative or importer based in the European Economic Area.

All changes to the product, the technical documents or to the quality assurance system must be notified to DIN CERTCO in writing.

The General Terms and Conditions of Business of DIN CERTCO apply.
